ino **bio**

## RESTROOM CLEANER WITH ODOUR CONTROLLER

**INO BIO 2** is a concentrated biotechnological cleaner for all surfaces found in offices, sport centers, hotels, hospitals, schools, etc. It's an ultra specialized solution to clean and eliminate odours in restrooms. It eliminates odours at the source and also leaves a pleasant fresh scent.

It's a multiple use, concentrated formula that can be used on all water washable surfaces like chrome, mirror, stainless steel, wall, urinal, toilet, ceramic, porcelain and polymer.

### SPECIFICATIONS

Appearance	Liquid
Colour	Blue
Relative density	1.01 - 1.03
Format	900ml, 4L, 2.4L(RTD)
Odour/perfume/fragrance	Lemon/Lime
pH	7.2 - 7.7
Water solubility	Easily soluble in water.

### BENEFITS

Easily biodegradable.

Certified Environmental Choice by Environment Canada according to CCD-110 Cleaning and degreasing compounds biologically based standard.

Non-corrosive, safe for skin.

Do not damage surfaces.

Replaces many chemical products: glass cleaner, chrome, cleaner, stainless steel cleaner, all surface cleaner, toilet and urinal cleaner, acid (ceramic grout), urinal blocks, odour controller, etc.

Safe for users, equipment and the environment.

# TWIST & GO

## PORTABLE DILUTION SYSTEM

With its ergonomically-designed handle, the Twist & Go is a revolutionary system using a portable closed loop dilution system.

### PORTABLE AND CONVENIENT

- Portable
- The system connects to any convenient water supply via a standard hose connector.

### COST CONTROL

- Concentrated formulations
- Reduced inventory
- Economic cost-in-use
- Elimination of product over-use and spillage
- No equipment investment
- No service or parts cost

### SIMPLICITY & RELIABILITY

- No installation
- Minimal training, easy to use
- Maintenance free
- Durable
- Ultra precise

### VERSATILITY

- Available in a wide range of products
- Available in 2.4L

## RESTROOM CLEANER WITH ODOUR CONTROLLER

**INO bio 2** is a concentrated biotechnological cleaner for all surfaces found in offices, sport centers, hotels, hospitals, schools, etc. It's an ultra specialized solution to clean and eliminate odours in restrooms. It eliminates odours at the source and also leaves a pleasant fresh scent.
