Format(s)	4 x 4L / 20L
Odour/perfume/fragrance	Citrus
PH	Neutral
Solubility	Easily soluble in water

FEATURES

- Over 90% biodegradable in less than 14 days.
- Certified Environmental Choice by Environment Canada according to CCD-110 Cleaning and degreasing compounds biologically based standard.
- WoolSafe approved.
- Replaces many chemical products: stain remover, pre-spotter, calcium remover, cleaner (extraction), shampoo, odour controller, anti-foaming, wet bonnet product, anti-browning agent, etc

This fabric and textile cleaner and spotter is a biotechnological cleaner and degreaser with odour control. The product leaves a useful and long-lasting bacterial flora in carpets and fabrics that continues to biodegrade organic matter and eliminate odours after the cleaning procedures. It can be ideal for carpet maintenance between deep cleanings when using the Spray and Vac method.

The product surpasses all international environmental accreditation agencies' standards and is approved as credits towards a LEED or Go Green certification.
