

# INO-DE9-S1/INO-DE9-V2

## Colloidal Oatmeal Moisturizing Lotion

This colloidal oatmeal moisturizing lotion has a viscosity that makes it possible to spread easily over the entire applications area. Containing allantoin, petrolatum and colloidal oatmeal, it conditions skin and restores oils. With no added fragrance or dye, this solution is ideal for frequent use. This lotion contains a unique blend of conditioning agents and emollients that leaves skin soft and smooth every time.
