

## INO fiber 11 FOAM CONTROL

INO-FIB11

### VALUE ADDED

- . Eliminate quickly foam and moss#

### DILUTION RATE

- . Dilute 28 ml of NO fiber 11 to 140 ml water

INO fiber 11 eliminates quickly foam and moss in your recovery system extractor steamer or hot water. Foam rarely triggers the float mechanism and when allowed to penetrate vaccum cleaner, motoes will considerably reduce their life.
