

INO gloss 16

INO gloss 16 is the product for nearly all your cleaning needs. INO gloss 16 has an advanced formula that equals the performance of a general purpose cleaner without alkalinity or solvents. It is neutral so it won't dull the shine off the floor finish.

INO gloss 16 is designed for use on most floor types, along with other washable surfaces, including ceramic and other type of flooring. It removes most types of particular and oily soils. It does not require rinsing on non-food contact surfaces and can be used in buckets, spray bottles or in autoscrubber because INO gloss 16 is a low foaming product. Contains no phosphorus. This product respects the environment based on its reduced human and aquatic toxicity and reduced smog production potential.

INO gloss 16
Neutral floor cleaner

INO-GL16-4 (4L)
INO-GL16-20 (20L)

CHARACTERISTICS

Appearance	Liquid
Colour	Blue
Dilution	Light Duty Cleaning: 1:128 Genreal Cleaning 1:64
Format(s)	4 L/ 20 L
Foam	Low to moderate foam
Odour/perfume/fragrance	Floral
PH	7.5-8.25
VOC	None
Solids (% Brix)	2.6-3.2 %
Density (Wt/GAL)	1.0
Relative density	1.0

FEATURES
