

INO GLOSS 11

ino **gloss**

HARD SURFACE CLEANER

This hard surface ecological cleaner is a unique general purpose cleaner and also an excellent deep scrub cleaner comprised of a complex blend of biodegradable surfactants with exceptional cleaning capacity without the use of phosphates, glycol ethers or strong alkalis. It is neutral once diluted, safe to use on all washable surfaces. It is non-toxic to aquatic life and with ecological certification, the INO Gloss 11 is the logical choice for health, safety and also preferable for the environment. The product is ideally suited for use in food plants and other industrial applications.
