AUTOMATIC SOAP DISPENSER (INO-DE-SDA1000)

The INO Derm Automatic Touchless Soap Dispenser has a versatile design and is ideal for many types of places. Perfect for restaurants, bathrooms, hospitals, as well as garages and warehouses! Simply place your hand under the indicator light and it automatically dispenses product into your hand. It is great for upscale public and office restrooms that are going "touch-less". It is also ideal for hand sanitizing stations where water is not available.
