NEW ARRIVAL

Scented Urinal Screen

Keep your restrooms fresher with the INO WEE-SCREEN®.

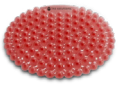

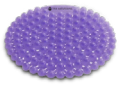

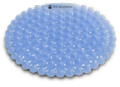

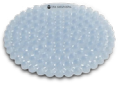

Make your restrooms cleaner and more inviting!

INO WEE-SCREEN® urinal screens feature a unique bubble design that reduces splashing and prevents blockages. Their innovative structure traps debris while ensuring optimal flow and continuously releases fragrance for up to 30 days, keeping your environment fresh. Flexible and durable, they easily fit most urinals, making them ideal for high-traffic areas.

Splash-Guard

Efficient Debris Capture

Extra Flexible
