

EXTRA STRONG GARBAGE BAGS,
CLEAR, 56" X 60"

INS-GB-5660RC

These industrial bags are offered in boxes of 50 units each. Made from extra strong materials, these bags are designed to withstand the heaviest and sharpest waste. In addition, their transparency allows for easy visibility of the contents inside. With their high load capacity, these bags offer a practical solution for safe industrial waste disposal.

BENEFITS

- Wide selection of improved formula bags available.
- Colour coded description labels
- Recycled product
