

## Alkali Residue & Salts Remover

**Effectively dissolves stubborn mineral deposits on floors and carpets**

**Ino Gloss 25** is a biodegradable, non-corrosive remover designed to remove alkali residue, salt, and calcium buildup from floors and carpets. Ideal as a neutralizer after stripping, it works quickly and effectively while being gentle on treated surfaces.

### BENEFITS

Targeted action on alkali and salt residues

Biodegradable formula

Reduces maintenance time and effort

Non-corrosive

### DIRECTIONS FOR USE

**Dilute the product according to the recommended dilution rate:**

#### Stripper or Carpet Neutralizer (1:40 or 25 mL per litre):

Apply with auto-scrubber, mop or sprayer and let stand for five minutes. Use an auto-scrubber, a mop or a wet vacuum to pick up residue. Rinse thoroughly with clean water. Let dry thoroughly before applying sealer or finish to floors.

#### Salt and Calcium (1:40 or 25 mL per litre for floors and for carpets):

Vacuum the surface. Remove excess deposits with carpet tool or bone scraper. Apply with sprayer at recommended dilution. Saturate carpet with sprayer and let stand for 10 minutes. Absorb with a clean cloth or extractor. Rinse with clean water and extractor. Repeat as needed.
